### ABOUT BARRY

A well-rounded professional with 10+ years of bookkeeping and QuickBooks experience and 20+ years of overall financial experience, Barry can participate in and oversee the day-to-day accounting operations of small-to-medium businesses in various industries. He is comfortable collaborating with management to develop and monitor financial goals and key performance indicators, as well as interacting with company personnel, customers, vendors, and third parties to ensure the timely and accurate completion of daily, monthly and year-end accounting tasks and reporting.

Barry excels at compiling financial data, general ledger maintenance, performing account reconciliations, documenting, coding and recording company transactions, and assisting others with various accounting projects. His wide-ranging experience includes accounts receivable, accounts payable, invoicing, purchasing, credit card activities, budgeting, financial analysis, and regulatory compliance. Barry capably applies his process improvement skills to increase efficiencies in accounting processes and his computer skills to optimize the benefits of accounting software and spreadsheets.

With a developed understanding of accounting best practices, a high level of attention to detail, and a strong work ethic, clients value Barry's abilities as a full-charge bookkeeper as he assists their organization in achieving its short- and long-term objectives.
