

Bev Rice-Anderson, CAPA

Consultant

ABOUT BEV

A well-respected and accomplished professional, Bev's background includes 25 years of progressive responsibilities at a Fortune 500 auto manufacturing company. Throughout her career, she has led a variety of initiatives, including process improvements, Sarbanes-Oxley compliance, and software implementation. Bev's extensive experience brings a unique perspective to her projects, which allows her to offer sound and practical business solutions to her clients.

Bev is highly skilled and knowledgeable in a wide range of accounting functions, including month-end close duties, account reconciliations, and general ledger activities. She is an expert on the accounts payable process, stemming from extensive experience as an accounts payable processor and then assistant manager of an accounts payable department. With her in-depth understanding of internal controls and Sarbanes-Oxley, coupled with her excellent documentation skills, Bev has a demonstrated ability to contribute significantly to process assessment, redesign, and implementation projects.

Clients appreciate Bev's breadth of knowledge, along with her strong work ethic and high level of commitment to get the job done. She is a valuable asset to any Kaiser Consulting project.
