

Cindie Gress

Consultant

ABOUT CINDIE

Cindie is a finance and accounting professional with extensive experience and a proven track record in the fast-paced environment of Fortune 500 companies. She specializes in financial reporting and review, general accounting, business controls, and process improvement. She is a highly respected former CPA with over 20 years of experience. Cindie demonstrates strong analytical skills and is excellent at helping clients identify and improve finance and accounting issues. She possesses very detailed organizational and project management skills.

Through several different roles in accounting, each with progressive responsibilities, Cindie managed budgeting, forecasting, month-end close, elimination of risk, identification of opportunities, financial statement preparation, cash flow functions, and long-range planning. She has a thorough knowledge of the workings of an accounting department from years of experience in accounting. Her technical expertise includes SAP, Microsoft Dynamics GP, Microsoft FRx, JD Edwards, Metify ABM, JDA, JBA, Lawson, and Quickbooks.

Clients value Cindie's ability to understand the issues, organize the details, and recommend sound solutions. Her strong interpersonal skills, work ethic, enthusiasm, and willingness to approach problems creatively make her a key contributor to a variety of accounting projects.
