

Cindy Ries

Consultant

ABOUT CINDY

Cindy is a goal-oriented professional with over 20 years of experience in outsourced accounting and bookkeeping services. Throughout her career, Cindy has served as a trusted advisor to a broad range of clients across various industries. With her expertise in QuickBooks and other small business accounting software, Cindy is proficient in employing automated business tools to obtain operational efficiencies and create better solutions for quality data collection.

Cindy is highly skilled in the functions related to accounts payable, accounts receivable, payroll, and human resources recordkeeping. Her experience with consolidations, reconciliations, and the period-end close processes provides additional value to her projects, and she has a proven track record of helping clients at any stage of their journey, whether it's a startup company or established business. Clients appreciate Cindy's excellent analytical and problem-solving skills, in addition to her strong work ethic and solid communication skills.

At Kaiser Consulting, Cindy is a reliable internal resource who mentors other consultants and provides guidance to small business accounting projects.
