Consultant

ABOUT DIANE (DEDE)

DeDe is a highly organized, team-oriented CPA (Inactive) with more than a decade of diverse financial, accounting and bookkeeping experience in the public accounting, private industry and nonprofit arenas. Drawing from her vast business knowledge, she quickly grasps new ideas and learns company policies and procedures while working independently or as part of a team.

DeDe is proficient in financial reporting, account analysis and the monthly close process. Her previous experience includes managing the general ledger accounts for multiple brands of a national department store chain, performing all aspects of accounting, personnel and payroll functions at a local television station, and preparing various tax returns as well as participating in audits, reviews, and compilation engagements at a CPA firm.

She is adept at financial statement and journal entry preparation, financial planning and forecasting, accounts receivables and payables, budgeting, cash management, fund accounting, reconciliations, and variance reporting. DeDe has a keen understanding of customer credit and collections, and she can perform research and assist in the audit preparation process as needed. She is experienced in numerous accounting software programs, including QuickBooks, Oracle and CDM+.

A great listener and strong communicator, DeDe is capable of working under pressure to meet tight deadlines. Clients appreciate her ability to collaborate with company personnel at all levels and her commitment to delivering on-time solutions to achieve their goals.
