

Kristen DeMatteo

Consultant

ABOUT KRISTEN

Kristen is an accomplished finance and accounting professional with over twelve years of comprehensive experience in the automotive, communications, contract administration, food & beverage, retail, health care, and insurance industries. She is a dynamic, versatile leader with success in financial accounting, performance optimization, strategic planning, and risk management. She is proficient in budget development and management, project analysis, data analytics, and ad hoc reporting.

Beginning her career at a communications organization, Kristen has held significant accounting and finance roles at major retailers and a multinational health care services company. She most recently served as an advisor in FP&A. She has managed important projects across organizations and has a talent for successfully communicating results and providing insight, guidance, and recommendations to key stakeholders.

Clients value Kristen as an innovative, detail-oriented individual who has an excellent sense of teamwork. Her strong communication skills and ability to problem-solve and to adapt quickly to changing environments are strong assets.
