

Lakshmi Kassetty, CPA (Inactive), MCA

Consultant

ABOUT LAKSHMI

Lakshmi is a highly respected accounting professional with over 15 years of experience. Throughout her career, Lakshmi has served in various accounting, auditing and financial consulting roles, and she also obtained a Masters in Computer Applications. Her understanding of technology, combined with her accounting, analysis, and documentation skills, allow her to comprehend business process issues and offer creative IT-based solutions.

With her extensive knowledge of technology, Lakshmi is proficient in the use of IT application and tools for accounting, auditing, and financial analysis. She is fully capable of creating and improving reporting processes to enhance management's ability to analyze data, and she is highly skilled at converting from manual and inefficient systems to better solutions to collect meaningful financial information.

Lakshmi is adept at performing duties in all areas of accounting, including accounts payable, inventory, payroll, and general ledger. She has experience with consolidations, budgeting, and the month-end closing process, and her strong problem-solving and analytical skills are beneficial in remediating complex accounting issues. Since joining Kaiser Consulting, Lakshmi has supported a variety of accounting and auditing engagements, including complex account reconciliations, data conversion, and Sarbanes-Oxley compliance projects.

Lakshmi works effectively with all levels of management and staff, and her varied background brings significant value to her clients.
