

Natalie Chubb, CPA

Consultant

ABOUT NATALIE

Natalie is a solution-focused business professional with 30+ years of demonstrated hands-on and leadership experience in accounting, auditing, and human resources. A skilled CPA, she has held positions as a senior accountant for a publicly held U.S.-based airline working abroad in the company's German operations, a certified public accountant with a well-respected local CPA firm, and controller and human resources director for a privately held nanotechnology research company.

Adept at performing day-to-day accounting functions, Natalie is proficient in preparing internal and external financial statements, conducting compilation, review, and audit engagements, and preparing individual, partnership, and corporate tax returns. She is comfortable providing timely and relevant information for use by internal stakeholders for decision-making purposes and managing relationships with external stakeholders, including accountants and bankers. Natalie's experience includes audit preparation, payroll processing and developing staff to peak performance levels.

In addition to her accounting expertise, Natalie has assisted clients as a small business owner by teaching effective communication, self-advocacy, and relationship-building skills. She has also served several national nonprofit organizations in volunteer roles overseeing local activities, including chapter co-founder/president and troop treasurer. Clients value Natalie's diverse technical knowledge, excellent interpersonal skills, and strong work ethic, all of which make her an asset on all engagements.
