

Robyn Howard, CPA

Consultant

ABOUT ROBYN

Robyn is a highly organized, process and compliance-oriented CPA with 30+ years of accounting and financial management experience in the public and private sectors. She has held many accounting positions, including serving as an accountant in a fast-growing city government and as an accounting manager for a commercial printing company. Her experience also includes owning and operating a limited liability company that organizes workflows for small businesses. With excellent critical thinking capabilities, she thoughtfully applies her diverse skill set and attention to detail to help clients overcome business challenges.

Adept at performing and overseeing daily and period-end accounting functions, Robyn is proficient in accounts receivable and payable, cash management, account and credit card reconciliations, journal entries, chart of accounts and general ledger maintenance, and financial reporting and analysis. Her experience includes budgeting and variance analysis, internal compliance audits, sales tax processing, and reviewing, developing and implementing financial policies, procedures and internal controls.

Robyn excels at working independently or collaborating with others to identify and implement process improvements to enhance efficiency and cost savings within an organization. She is comfortable assisting with external audit preparation and is familiar with the Annual Comprehensive Financial Report for governmental entities. Additionally, she is versed in several accounting software packages, including QuickBooks, Bill.com, Ramp, Stripe, and Munis, an enterprise resource planning solution for the public sector.

Clients value Robyn's strong analytical and communication skills and ability to leverage her experience and insights to identify and execute specific actions and measurable steps while assisting them with achieving their enterprise-wide goals.
